

SUMMARY

ReactJS Developer with 1.6 years of hands-on experience at Tech Mahindra. Proficient in designing and implementing efficient, user-friendly web applications using ReactJS. Seeking to leverage my expertise in frontend development, along with a strong understanding of modern web technologies, to contribute effectively to a dynamic team and deliver innovative solutions.

EDUCATION

Bachelor of Engineering (B.E.) in Electrical and Electronics Engineering

K.Ramakrishnan College of technology
2016 - 2020

TECHNICAL SKILLS:

- **Web Technologies:** HTML5, CSS3
- **Programming Languages:** JAVA
- **Frontend Frameworks/Libraries:** ReactJS, Redux, Next.JS
- **UI Frameworks:** Bootstrap, Tailwind CSS
- **Version Control:** Git
- **Database Management:** MongoDB
- **Web APIs:** RESTful APIs
- **Development Tools:** Visual Studio Code, Chrome DevTools
- Responsive Web Design

CERTIFICATIONS

Japanese Language Proficiency:

- N5 - Basic Level (2019)
- N4 - Elementary Level (2021)

Microsoft Certification:

- Azure Fundamentals AZ-900 (2022)

PROFESSIONAL PROFILE

Enthusiastic Software Engineer at Tech Mahindra since August 2021, with a focus on ReactJS, HTML5, CSS3, Azure Cloud, Postman, JavaScript, GitLab, and ServiceNow development. Proficient in building and maintaining frontend systems for web applications. Adept at designing RESTful APIs to facilitate seamless communication between frontend and backend.

WORK EXPERIENCE

Hospital Management system (2021-2023)

Developed a comprehensive Health Management application from the ground up, progressively integrating various modules:

- Patient encounter history
- Forms: PHQ9, 5DS, case notes, USMM
- Summary module
- Ensured punctual project deliveries and maintained the frontend architecture.
- Successfully utilized API calls to fetch data from MongoDB.
- Implemented Redux for state management, significantly enhancing application stability and scalability.
- Integrated RESTful APIs to retrieve and display dynamic data, greatly improving application interactivity.
- Collaborated effectively with the QA team, identifying and resolving bugs for a seamless application experience.
- Active participant in daily stand-up meetings, providing valuable progress updates and addressing challenges.
